# SPRING CLEANING! BIKE DONATION!

**SATURDAY | APRIL 16, 2016 | 9AM TO NOON**

*How would you like to help those in need and  
free up some room in your garage at the same time?*

Donate your bike, gently used (or new) bike helmets, and working (or new) bike locks to CRC's Charitable Causes Bike Donation Day Benefiting **Working Bikes!** ([www.workingbikes.org](http://www.workingbikes.org))

On **Saturday, April 16 from 9 am to noon** you can donate a new or used bike (or bikes). **Flat tire?** We'll take the bike. **Bad chain?** No worries. **Brakes not working?** We'll take it.

*Please note: Bicycles with plastic tires and tricycles cannot be accepted.*

*Share this information with your company, friends, family, church, or anyone else that might want to donate some bikes that are no longer being used. The more the merrier.*

*We are aiming to collect 50 bikes. Help make it a reality.*

Listed below are 9 generous CRC members who have donated their time and energies for this Saturday collection of your used or new bike(s), helmet(s), or lock(s):
